

# ONSITE COMMUNITY HEALTH AGREEMENT

Pied Piper Studios recognizes that COVID-19 is an ongoing health concern and that individual risk levels vary. We will continue to monitor the situation in our community and may update this agreement if needed. We ask that you read and adhere to the following community agreements before attending an onsite class:

My child(ren) and I have not experienced vomiting, diarrhea, or a fever in the past 24 hours.

My child(ren) and I have not experienced other signs of illness including cough, shortness of breath, sore throat, muscle aches, or headaches in the past 24 hours.

I understand that masks are optional for all adults and children ages 2 and up while inside the building.

I understand that I am responsible for actively assisting, redirecting, engaging, and supporting my child(ren) while in the studio, including respecting the physical distance other families may ask for.

I understand that children will be moving freely in the classroom and that I am responsible for kindly advocating to fellow caregivers if I and/or my child would like more space.

I agree to make Pied Piper Studios aware if I or any member of my household receives a positive COVID-19 test or diagnosis within the next 7 days.
